DR. FREDERICK HINCHLIFFE, Medical Advisor

IRWIN M. GOLDEN, Commander, American Legion

MRS. HOWARD S. REID

## TOWN CLERK'S REPORT

### Town of Cohasset

### REPORT OF THE ANNUAL TOWN MEETING

Held March 4, 1950

At the Annual Business Meeting held at the Ripley Road School at 2:00 o'clock p.m., March 4, 1950, the following articles were contained in the Warrant and acted upon as recorded:

Checkers previously appointed for entrance by the Selectmen and sworn in by Town Clerk William H. Morris at 1:00 o'clock p.m., were Mary N. Grassie, Mamie F. Keegan, Louise S. Jason and Eleanor R. Wilbur.

The meeting was opened at 2:00 o'clock p.m. by the Moderator and the Town Clerk proceeded to read the call of the meeting.

Tellers appointed by the Moderator and sworn by Town Clerk William H. Morris at 2:10 o'clock p.m. were Henry E. Sweeney, Ziba T. Lapham, Reginald R. Beal and Charles A. Marks.

The Moderator ascertained from the Checkers the number of voters present as checked on the incoming voting lists which was 419.

ARTICLE 1. To choose all Town Officers not required to be elected by ballot.

VOTED: Unanimously, by a voice vote, that the Selectmen be and hereby are authorized and directed to appoint all Town Officers not required to be elected by ballot.

ARTICLE 2. To act upon the reports of the various Town Officers as printed in the annual report for the year 1949.

VOTED: Unanimously, by a voice vote, that the reports of the various Town Officers as printed in the annual report for the year 1949 be and hereby are accepted.

ARTICLE 3. To hear the report of any committee heretofore chosen and act thereon.

### REPORT OF THE HIGH SCHOOL BUILDING COMMITTEE

The report of the High School Building Committee is one of progress. We were fortunate in receiving bids for our proposed school from a large number of contractors, twenty in all. Each of these bids was far below the figure \$818,000.00 allocated to the building proper made in the appropriation of \$921,000.00 at the Special Town Meeting.

The difference between \$818,000.00 and the amount of the average bid received, which amounted to \$639,812.00, can only be attributed to a temporary period of keen competition on the part of contractors, subcontractors and suppliers as well as the season of the year and an increase in efficiency on the part of workmen.

In weighing the qualifications of each of the three contractors whom the law required us to choose within forty-eight hours from

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

the time bids were opened, we examined their financial statements, we listened to reports from Mr. Walker, our architect, and to confidential reports from disinterested architects, and to the report of several of the committee who looked at structures which these contractors had completed or were building. On February 21, acting in the best interests of the Town, your committee unanimously voted to award the contract to the Volpe Construction Company in the amount of \$585,978.00. The contract was signed on February 23. This represents a saving of approximately \$232,022.00.

Actual construction, however, is being delayed by a temporary restraining order brought against us by the Wexler Construction Company, Inc. who are represented by Maxwell Rabb of Brookline and Jacob Tushins of Cohasset. Your committee has the services of Frederick A. Thayer, our Town Counsel.

Your committee feels and has been assured by experts that it has excellent plans and specifications. It sincerely feels that the contract has been awarded to an outstandingly competent contractor. It is hoped that the construction of a functionally modern school will be accomplished with dispatch so that the children of this Town will have the educational facilities so long overdue.

VOTED: That the report of the New Junior-Senior High School Building Committee, so-called, or however designated, appointed under Article 4 of the Warrant for the Special Town Meeting held November 21st, 1949 be and hereby is accepted as one of progress and a vote of confidence given said Committee and their action in defending the suit brought against them, approved, ratified and confirmed, with full power in said Committee, as the Selectmen possess, to appear and protect the interests of the Town in this instance.

Yes, 260. No, 15.

The Water Investigating Committee reported that the Cohasset Water Company was now owned by the Town and the work of the Committee was completed.

VOTED: That the report of the Water Investigating Committee be accepted and the Committee be discharged with a vote of thanks for a job well done.

The Zoning By-law Committee made a report of progress.

VOTED: Unanimously, by a voice vote, that the report of the Zoning By-law Committee be accepted as one of progress and the Committee be continued.

The Town History Committee made a report of progress.

VOTED: Unanimously, by a voice vote, that the report of the Town History Committee report be accepted as one of progress and the Committee be continued.

The Veteran's Project Committee reported that their work was finished.

VOTED: Unanimously, by a voice vote, that the report of the Veteran's Project Committee be accepted and the Committee be discharged with a vote of thanks for a job well done.

Report of the Committee on Additions and Alterations to the Ripley Road School.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

This Committee was appointed in a motion presented in Articles I & II of the Special Town Meeting held November 21, 1949.

Since the same Committee is handling both the construction of the addition and the alterations to the heating system, one report is presented to cover both jobs.

Your Committee since appointment has held seven meetings. On December 19, 1949, Mr. Walker was formally selected as architect for the addition and Mr. Christie as heating engineer. Contracts were signed with each of them on January 5, 1950, plans were discussed, advertised, and opening of the bids for both jobs were scheduled and on January 20, 1950 bids were opened for both parts of the work.

The four low base bids for the addition were E. J. Rose & Son, \$59,654; Wexler Construction Company, \$63,671; Klayman and Bellin, \$66,600; and Carl Andre & Son, \$70,174.

At the time of opening the bids the question was raised whether a certified check or bid bond was required to be filed with the bid. The specifications called for the filing of a certified check, but the advertisements comprising the invitation to bid stated that either a certified check or a bid bond would be acceptable. Your Committee ruled at this time to follow the specifications requiring the deposit to be a certified check, but this at a subsequent meeting was reversed on the advice of the town counsel, Mr. Thayer.

At the same meeting the bids for alterations of the heating system were opened. The three low base bids were A. L. Butler & Company, \$13,127; J. W. Praught, \$13,400; and C. R. Stone, \$13,776.40.

These three heating contractors were selected as the ones to one of whom the heating contract would be awarded.

On January 21 your Committee met and selected E. J. Rose & Son, Wexler Construction Company and Carl Andre and Son as the three contractors to be considered in making the final award.

This selection of three contractors and the return of the bid deposit checks of all others competing is required by law to be done within 48 hours after the opening of the bids. On January 26, your committee met and awarded the contract for the addition to E. J. Rose and Son and the contract for heating to A. L. Butler and Company. The contracts prepared by the town counsel were signed on February 7 and work by Mr. Rose on the addition was started immediately. Work on the heating plant alterations will not be started until such time as it can be done without interfering with normal school routine.

Your Committee presents this report with the feeling that definite progress has been and is being made in the solution of our problems at the Ripley Road School.

VOTED: Unanimously, by a voice vote, that the report be accepted as a report of progress.

The Sewage Committee made a report of progress.

VOTED: Unanimously, by a voice vote, that the report of the Sewage Committee be accepted as a report of progress.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

MOVED, and voted unanimously, by a voice vote, that the resolution contained in page 22 of the 1949 Town Report made by Charles L. Stegmaier be and hereby is continued for the ensuing year.

ARTICLE 4. To see what action the Town will take to provide temporary salary or wage increases or bonuses during the ensuing year, or for such longer period as the Town may vote and especially will vote a 10 per cent temporary increase, to compensate for the increased cost of living, or take any action relative thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$11,076.10 be and hereby is raised and appropriated to pay during 1950, retroactive to January 1, 1950, a temporary and non-recurring bonus of 10% over 1949 base compensation, salaries and wages to all salaried Town Officers, Officials and employees in the various departments, excluding therefrom School Teachers and Library personnel, payable in two installments, namely with the last payroll in June and with the second payroll in December; and that the further sum of \$2,838.61 be and hereby is raised and appropriated to be allocated to the various departments to pay a temporary increase during 1950, retroactive to January 1, 1950, to and until the next Annual Town Meeting to casual workmen and laborers so that their wage shall be and hereby is fixed during said period at the rate of \$1.00 per hour for their services; and

That insofar as the legal requirement of the Town's fixing compensation of all elected officers is concerned, the same is hereby so fixed in addition to that fixed in Article 5 of this warrant.

ARTICLE 5. To see what action the Town will take with respect to fixing the salaries and compensation of its elected officers for the ensuing year, retroactive to January 1 and what sums of money the Town will raise and appropriate for operation, salaries and compensation retroactive to January 1, and expenses for the following:

1. Moderator.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

VOTED: Unanimously, by a voice vote, that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1950, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

ARTICLE 7. Will the Town vote to appropriate the sum of \$740.03, this being the sum received from the County for dog licenses, for schools, as required by Chapter 140, Section 172, of the General Laws?

VOTED: Unanimously, by a voice vote, that the sum of \$740.03 be and hereby is appropriated from available cash in the Treasury, being the unexpended balance of the Dog Fund received from the County for dog licenses, in accordance with Chapter 140, Section 172 of the General Laws, to be expended for the support of the Public Schools.

ARTICLE 8. To see if the Town will raise and/or appropriate from Overlay Surplus, or otherwise, the sum of \$15,000.00 for the purpose of a Reserve Fund, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$15,000.00 be and hereby is appropriated from overlay surplus for the purpose of a Reserve Fund.

ARTICLE 9. To see if the Town will vote to authorize the Board of Selectmen to appoint any member thereof to the office or position of Animal Inspector and fix the salary of such appointee in accordance with General Laws, Chapter 41, Section 4A, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the Board of Selectmen be and hereby are authorized to appoint any member thereof to the office or position of Animal Inspector in accordance with General Laws, Chapter 41, Section 4A, until further vote of the Town revoking said authority, and the salary attached to said position is hereby fixed at \$115.00 for the ensuing year.

ARTICLE 10. To see if the Town will vote to raise and/or appropriate the sum of \$800.00 for the purpose of maintaining during the ensuing year the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

VOTED: Unanimously, by a voice vote, that the sum of \$800.00 be raised and appropriated for maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with Chapter 112 of the Acts of 1931.

ARTICLE 11. (Inserted at request of Chief of Police.) To see if the Town will raise and appropriate the sum of \$1,100.00 towards the purchase and equipping of a new cruising car for the use of the Police Department and authorize the sale, turn-in or trade, of the present 1947 cruising car now in use by said Department in connection therewith and in part payment therefor, or act on anything relating thereto.

VOTED: By a voice vote, that the sum of \$1,100.00 be and hereby is raised and appropriated towards the purchase and equipping of a new cruising car for the Police Department, and the sale, turn-in, or trade of the present 1947 cruising car in use by the Department in connection therewith and part payment therefor be and hereby is authorized.

ARTICLE 12. To hear and act upon the report of the Plan-

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

ning Board as they were instructed by vote under Article 16 of the Warrant for the 1949 Annual Town Meeting, and to see if the Town will raise and appropriate the sum of \$3,300.00 for the purchase of a pump, enlargement and improvement of well facilities, to increase the water supply at the Town Dump or act on anything relating thereto.

### Report of Planning Board's Investigation of a Water Supply at the Town Dump

Article 16 of the warrant of the 1949 Annual Town Meeting proposed the laying above ground of 4000 ft. of water pipe to supply water to the Town Dump. The purpose of this supply was to permit controlled burning of refuse, a procedure which is only safe now during moist conditions in the surrounding woods. Because of several disadvantages of a surface line the Planning Board was instructed to investigate the problem and report to the next Annual Town Meeting.

The problem is concerned chiefly with the fact that a dump fire is never really extinguished. If regular controlled burning can be accomplished throughout the year the amount of combustible material is kept to a minimum so that shifts of wind during the night will not cause sudden flare-ups which might spread to the woods. Bans on fires and closing of the dump are not effective because residents of other towns have been known to bring rubbish to our dump when the dump is closed during extremely dry conditions in the woods, set fire to it, and leave.

After consultation with the Board of Health and the Fire Chief the Planning Board feels that a system capable of delivering 50 gallons per minute at 50 pounds pressure at the nozzle is adequate to control any normal fire. Experience has shown that there is considerable water in Great Swamp even under the most severe drought conditions. Therefore, the following proposal is recommended:

That a well be constructed at the edge of Great Swamp near the base of the dump. This well is to be 4 ft. in diam. by approximately 20 ft. deep, giving a storage capacity of over 3000 gallons of water.

That an electrically driven vertical multi-stage centrifugal pump be installed in this well capable of pumping 50 gallons per minute against a total dynamic head of 165 feet. This type of pump is self-priming and self-draining, therefore, requires only the throwing of a switch to start pumping and will not freeze when idle.

That approximately 300 ft. of 2" galvanized pipe be installed from the well to the upper level of the dump and terminate in two hydrants, one on either side of the dump.

That arrangements be made with the Brockton Edison Company for the installation of a proper electric service to operate this pump.

Estimates have been received for the

Complete well and pump house .....\$2000.00

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

Electric pump complete .....	750.00
Pipe and labor .....	300.00
Electric service by Brockton Edison .....	250.00

giving a total cost of .....\$3300.00

VOTED: By a voice vote, that the sum of \$3300.00 be and hereby is raised and appropriated for the installation of a well, pump, and necessary piping to provide a water supply at the Town Dump in accordance with the recommendations of the Planning Board, and the expenditure of such appropriation and the supervision of the work to be under its direction.

ARTICLE 13. To see if the Town will raise and/or appropriate \$10,000.00 or other sufficient sum necessary for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, and to act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$2,500 be and hereby is raised and appropriated to meet the Town's share of the cost of Chapter 90, Highway construction and maintenance, and that, in addition, the sum of \$7,500 be transferred from unappropriated available funds in the treasury to meet the State's and County's share of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the treasury.

ARTICLE 14. To see if the Town will vote to appropriate from available cash in the treasury a sum not exceeding \$20,000.00 as it may determine for the use of the Assessors in fixing the tax rate for the ensuing year.

VOTED: Unanimously, by a voice vote, that there be appropriated from available cash in the treasury for the use of the Assessors in fixing the tax rate for the ensuing year such sum not exceeding \$20,000 as the Assessors in their discretion may determine advisable.

ARTICLE 15. To see if the Town will vote to establish as a Town Way and accept the layout of Mill Lane as laid out by the Selectmen and shown on plan and layout on file in the Town Clerk's Office; authorize the Selectmen to acquire by eminent domain or otherwise such rights, titles and easements in such land as is necessary therefor and to accomplish said purpose; raise and appropriate a sufficient sum of money for the purchase or taking thereof and to provide for the construction or improvement of same, or take any other or further action relative thereto.

VOTED: By a hand vote, that the Town accept and establish as a town way the layout of Mill Lane as made by the Selectmen and shown on plan and layout on file in the Town Clerk's Office; and the Selectmen be and hereby are authorized to take an easement in such land as is necessary therefor; and further that the sum of \$5.00 be and hereby is raised and appropriated for the taking thereof and for damages, if any, in connection therewith.

Yes, 292. No, 1.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

ARTICLE 16. To see if the Town will vote to hold its Annual Town Meeting for the election of officers at 8:00 A.M., and will amend its By-Laws by striking out in Section 1 of Article 2 the word "six" where it first appears, and inserting, adopting and substituting in place thereof the word "eight" so that said Section and By-Law will read:

Section 1. The Annual Town Meeting shall be held on the first Saturday of March in each year at 2:00 P. M.

The meeting for the election of officers shall be held on the Saturday following; the polls shall be open at eight o'clock A. M., and they shall remain open until 6:00 o'clock P.M. or until such further time as the meeting may vote.

Moved, and defeated by a hand vote, that the Town hereafter hold its Annual Town Meeting for the election of officers at 8:00 A.M., and will amend its By-Laws by striking out in Section 1 of Article 2 the word "six" where it first appears, and inserting, adopting and substituting in place thereof the word "eight" so that said section and By-Law will read:

Section 1. The Annual Town Meeting shall be held on the first Saturday of March in each year at 2:00 P.M.

The meeting for the election of officers shall be held on the Saturday following; the polls shall be open at eight o'clock A.M., and they shall remain open until 6:00 o'clock P.M. or until such further time as the meeting may vote.

No, 148. Yes, 145.

ARTICLE 17. To see if the Town will raise and/or appropriate the sum of \$4,000.00 for the purpose of repairing the Cat Dam Bridge, so-called, to be expended under the supervision of the Board of Selectmen.

VOTED: Unanimously, by a voice vote, that there be and hereby is raised and appropriated the sum of \$4,000.00 for the purpose of repairing the Cat Dam Bridge, so-called, said appropriation to be expended under the supervision of the Board of Selectmen.

### Resolution by Samuel Hassan

Resolve, that it would be the sentiment of this meeting that the Selectmen and Fire Chief to proceed with the purchase of the fire truck without further delay.

VOTED: By a voice vote, that this resolution be adopted.

ARTICLE 18. To see if the Town will raise and/or appropriate the sum of \$800.00 for the purpose of levelling, tarring, and improving that section of Atlantic Avenue at Sandy Beach, and on the Westerly side thereof extending from the point opposite the bath house to Nichols Road which is used for parking and not needed for travel, the money to be expended under the supervision of the Board of Selectmen, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$800.00 be and hereby is raised and appropriated for the purpose of levelling, tarring, and improving that section of Atlantic Avenue at Sandy Beach, and on the Westerly side thereof, extending

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

from the point opposite the bath house to Nichols Road, which is used for parking and not needed for travelling, the money to be expended under the supervision of the Board of Selectmen, and that further development of the project be referred to the Planning Board and the Sandy Beach Association for report and recommendation at the next Annual Town Meeting.

ARTICLE 19. To see if the Town will raise and/or appropriate the sum of \$4,000.00 for the construction of a parking place on land purchased or to be purchased from the New York, New Haven & Hartford Railroad Company, and for improving and connecting to the same the present Town parking space, and for the construction of access ways thereto, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that there be and hereby is raised and appropriated the sum of \$4,000.00 for the construction of a parking place on land purchased or to be purchased from the New York, New Haven & Hartford Railroad Company, and for improving and connecting to the same the present Town parking space, and for the construction of access ways thereto, the money to be expended under the supervision of the Board of Selectmen.

ARTICLE 20. To see if the Town will raise and/or appropriate from available funds the sum of \$500.00 for the repair of the side wall of the culvert of James Brook at the rear of property of Carlos A. Tanger, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$500.00 be and hereby is raised and appropriated for the repair of the side wall of the culvert of James Brook at the rear of the property of Carlos A. Tanger, the money to be expended under the supervision of the Board of Selectmen.

ARTICLE 21. To see if the Town will provide for a committee to be appointed by the Selectmen to investigate and choose a site for a central fire station, with authority to secure plans, estimates, cost of construction of such a fire station on the land so recommended, and to investigate also the matter of reorganization of the present fire department by consolidation or otherwise, with a view to reducing the cost of maintenance thereof, such committee to report their recommendations at the next Special or Annual Town Meeting; and will raise the sum of \$5,000.00 or such other sufficient sum of money as may be necessary therefor to defray the expense thereof, or act on anything relating thereto.

VOTED: By a voice vote, that the Selectmen appoint a committee which shall include the Chief and Deputy Chief of the Fire Department, the Board of Selectmen, the Chairman of the Planning Board, and eight (8) citizens to investigate the matters of a site for and a Central Fire Station and the reorganization of the present Fire Department by consolidation or otherwise, with a view to reducing the cost of maintenance and operation thereof, with authority to secure plans, estimates, and cost of construction of such a Fire Station so recommended; such Committee to report their recommendations at the next Special or Annual Town Meeting; and further that the sum of \$5,000.00 be and hereby is raised and appropriated to defray

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

the expenses thereof; and further that the committee appointed under Article 20, March Meeting of 1945 be and hereby is discharged.

ARTICLE 22. To see if the Town will raise and/or appropriate the sum of \$15,750.00 to pay legal expenses, counsel fees and disbursements in connection with the acquisition of the Cohasset Water Company, and matters incidental thereto; to determine whether said sum shall be raised by taxation or by transfer from available funds, or what other or further vote or votes it will take in relation thereto.

VOTED: By a voice vote, that the sum of \$15,750.00 be and hereby is raised and appropriated from available funds in the Treasury for legal expenses and counsel fees in connection with the acquisition of the Cohasset Water Company which were incurred under Chapter 128 of the Acts of 1886 as amended.

ARTICLE 23. (Inserted at the request of the School Committee:) To see if the Town will raise and appropriate the sum of \$3,000.00 to install proper fire alarm protection at the Ripley Road School, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$3,000.00 be and hereby is raised and appropriated for the installation of proper fire alarm protection at the Ripley Road School.

MOVED and voted unanimously, by a voice vote at 5:45 p.m., that this meeting be adjourned until Monday, March 6, 1950, at 8:00 o'clock p.m.

---

### Monday, March 6, 1950

The meeting was opened at 8:00 o'clock p.m. by Robert B. James, Moderator, and the tellers appointed on Saturday were called to the stand.

ARTICLE 24. Manuel A. Grassie, and others: To see if the Town will vote to rescind the action taken under Article 18, of the Annual Town Meeting of March 4, 1939 and rename the recreation field now called Milliken Field to Milliken-Bancroft Field, or take any other action relative thereto.

VOTED: Unanimously, by a voice vote, that the action of the Town taken under Article 18 of the Annual Town Meeting of March 4, 1939, naming the Athletic field on Bancroft Road, "Milliken Field," be amended and said recreation field renamed to be called "Milliken-Bancroft Field."

ARTICLE 25. William T. Barnes, and others: To see if the Town will raise and appropriate the sum of \$2,750.00 towards the purchase of a new Buffalo-Springfield Model KT-7, 3 to 5 ton Tandem Roller equipped with 4 cylinder gasoline engine, electric starter equipment, 2 speed transmission, reverse clutches, hydraulic steering, water tank, sprinkler system to both rolls with cocoa mats, for the use of the Highway Department and authorize the sale, turn-in or trade, of the present Buffalo-Springfield Tandem Roller #14005 now in use by said Department in connection therewith and in part payment therefor, or act on anything relating thereto.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

VOTED: Unanimously, by a voice vote, that the sum of \$2,750.00 be and hereby is raised and appropriated towards the purchase of a new Buffalo-Springfield Model KT-7, 3 to 5 ton Tandem Roller equipped with 4 cylinder gasoline engine, electric starter equipment, 2 speed transmission, reverse clutches, hydraulic steering, water tank, sprinkler system to both rolls with cocoa mats, for the use of the Highway Department, and the sale, turn-in, or trade of the present Buffalo-Springfield Tandem Roller #14005 now in use by the Highway Department in connection therewith and part payment therefor be and hereby is authorized.

ARTICLE 26. Joseph Mitchell, and others: Will the town raise and appropriate a sufficient sum of money to install and maintain a Street Light on the corner of Chief Justice Cushing Way and Marion Way.

VOTED: Unanimously, by a voice vote, that the sum of \$75.00 be and hereby is raised and appropriated to install and maintain a street light on the corner of Chief Justice Cushing Way and Marion Way.

ARTICLE 27. Irwin M. Golden, and others: To see if the Town will raise and/or appropriate \$6,000.00 or other sufficient sum of money for the construction and completion of Arrowwood Street as now located on the Town Farm property and for the making of other improvements thereon and therein; or otherwise instruct the Selectmen in respect thereto; or will take any other or further action or pass any other or further votes relative thereto.

VOTED: Unanimously, by a voice vote, that the sum of \$6,000.00 be and hereby is appropriated from available funds in the Treasury to provide for the partial construction of Arrowwood Street, so-called, in the Veteran's Housing Project, for other improvements in and upon said Arrowwood Street and for the purpose of making available water for domestic and fire prevention purposes on said street, to be expended under the direction of the Selectmen and under the supervision of the Water Department as to installations for water.

ARTICLE 28. Henry F. Howe, and others: To hear and act upon the report of the Committee appointed under Article 42 of the Warrant for the 1949 Annual Town Meeting to investigate the Government Island Property and to see if the Town will vote to continue the Committee in existence, enlarge its membership; will raise and appropriate the sum of \$500.00 for plans of a self-sustaining locker building on the property or what other vote or votes it will pass or action it will take relative thereto.

VOTED: Unanimously, by a voice vote, that the report of the Government Island Committee be approved, that the Government Island Committee appointed by the Moderator under Article 42 of the annual Town Meeting, 1949, be continued with its present membership intact, and that the Moderator be instructed to add up to four new members to the committee.

Moved and voted further that there be raised and appropriated the sum of five hundred dollars (\$500.00) for use by the Government Island Committee in producing plans for a locker building at Government Island as described in its report at the

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

annual Town Meeting, 1950, and that the Committee be authorized to employ architects and/or engineers to aid in the preparation of these plans in collaboration with the Planning Board, such plans to be submitted in a subsequent report of this Committee at a later Town Meeting.

ARTICLE 29. Eleanor T. Downs, and others: To see if the Town will direct the Selectmen to petition the General Court to increase the pension of Eleanor T. Downs as outlined in bill, as follows:

Section 1. The retirement allowance of Eleanor T. Downs, former tax collector of the Town of Cohasset, who was retired under the Norfolk County retirement system, shall be increased by the amount of two hundred dollars.

Section 2. This act shall take effect upon its passage. The petition to be submitted within one week if so voted.

VOTED: Unanimously, by a voice vote, that the Town direct the Selectmen to petition the General Court to increase the pension of Eleanor T. Downs as outlined in bill, as follows:

Section 1. The retirement allowance of Eleanor T. Downs, former tax collector of the Town of Cohasset, who was retired under the Norfolk County retirement system, shall be increased by the amount of two hundred dollars.

Section 2. This act shall take effect upon its passage. The petition to be submitted within one week if so voted, and that the sum of \$200.00 be raised and appropriated therefor.

ARTICLE 30. (Inserted at the request of the Water Department:) To see if the Town will raise and/or appropriate, or provide by borrowing a sufficient sum of money to be used by the Water Department for the following purposes:

1. Extension of water mains by installation of an eight inch water line on Jerusalem Road near Rice Island, and for the installation of one fire hydrant at Bow Street.

2. Extension of water mains by installation of an eight inch water line on Jerusalem Road near Bow Street.

3. Extension of water mains by installation of an eight inch water line on Bancroft Road and Norfolk Road, and the installation of one fire hydrant.

4. Extension of water mains by installation of an eight inch water line from Bancroft Road to reconnect with the present six inch line on Hill Street.

5. Extension of water mains by installation of an eight inch water line on Hill Street from Norfolk Road to reconnect with the present six inch line on Ash Street, including installation of a fire hydrant on Hill Street.

6. Extension of water mains by installation of a twelve inch water line Southerly from the reservoir to connect with the eight inch line on Pond Street serving en route the new school, including the installation of a new fire hydrant near the school.

7. To conduct a seismographic survey in specific areas relative to the increase of the present source of supply.

8a. For the acquisition of any water rights which may be

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

necessary to restrict or govern the flow of Bound Brook in the Town of Cohasset.

8b. For the establishment and maintenance of a proper mean normal water level in said Bound Brook by the construction of a flash-way type dam in said Brook near its crossing under Beechwood Street for the purpose of withholding and retaining the water in Lily Pond.

VOTED: By a hand vote, that the Town raise and appropriate the sum of \$25,000 to be expended under the direction of the Water Commissioners for the following purposes:

1. Extension of water mains by installation of an eight inch water line on Jerusalem Road near Rice Island, and for the installation of one fire hydrant at Bow Street.

2. Extension of water mains by installation of an eight inch water line on Jerusalem Road near Bow Street.

3. Extension of water mains by installation of an eight inch water line on Bancroft Road and Norfolk Road, and the installation of one fire hydrant.

4. Extension of water mains by installation of an eight inch water line from Bancroft Road to reconnect with the present six inch line on Hill Street.

5. Extension of water mains by installation of an eight inch water line on Hill Street from Norfolk Road to reconnect with the present six inch line on Ash Street, including installation of a fire hydrant on Hill Street.

6. Extension of water mains by installation of a twelve inch water line Southerly from the reservoir to connect with the eight inch line on Pond Street, serving en route the new school, including the installation of a new fire hydrant near the school.

7. To conduct a seismographic survey in specific areas relative to the increase of the present source of supply.

8a. For the acquisition of any water rights which may be necessary to restrict or govern the flow of Bound Brook in the Town of Cohasset.

8b. For the establishment and maintenance of a proper mean normal water level in said Bound Brook by the construction of a flash-way type dam in said Brook near its crossing under Beechwood Street for the purpose of withholding and retaining the water in Lily Pond.

and that in order to meet such appropriation for any or all of said purposes or authority the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$25,000 and to issue bonds or notes of the Town, said bonds or notes to be payable in not more than 15 years from their dates or at such earlier dates as the Treasurer or Selectmen may determine.

Yes, 222. No, 1.

ARTICLE 31. (Inserted at the request of the Water Department:) To see if the Town will authorize the Water Commissioners to sell, trade, or otherwise dispose of equipment not used or useful in the operation of the Water Department, restrict-

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

ing any such sale, trade or disposal to an amount in any each case not in excess of such sum as the Town may determine, or act on anything relating thereto.

VOTED: Unanimously, by a voice vote, that the Town authorize the Water Commissioners to sell, trade or otherwise dispose of equipment not used or useful in the operation of the Water Department restricting such sale, trade or disposal to an amount in each case not in excess of \$800.

		\$669.56

Yes, 203. No, 3.

ARTICLE 36. To see if the Town will vote to provide for a Wire Department to be established under the direction of the Selectmen, and will accept the provisions of a special act of the General Court, if passed before this meeting is held, or what further or other vote or votes it will pass with respect thereto.

VOTED: By a voice vote, that provision be and hereby is made for a wire department of the Town of Cohasset and that such Wire Department be and hereby is established to be under the direction of the Selectmen, and further that the provisions of the Act of the Legislature as contained in House Bill Number 2176 and as passed in the year 1950 be and hereby are accepted.

**HOUSE BILL NUMBER 2176**

**The Commonwealth of Massachusetts**

**AN ACT RELATIVE TO THE ESTABLISHMENT OF A WIRE  
DEPARTMENT IN THE TOWN OF COHASSET**

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 1. The town of Cohasset may provide by vote or by by-law for a wire department to be established under the direction of the selectmen, who shall annually appoint an inspector of wires to be known as superintendent of wires, and such other assistants as they deem necessary, and fix their compensation in an amount not in the aggregate exceeding the annual appropriation therefor. The superintendent of wires shall be in immediate control of all town property used by the department, subject to superior control and orders by the selectmen.

Section 2. Said superintendent of wires shall have the supervision and management of the erection and maintenance of all wires owned by the town, including (notwithstanding General Laws, chapter forty-eight, section forty-two) the fire alarm system, police electrical and telephone systems and traffic signal lights, the apparatus, machinery and other property connected therewith, and the posts and other supports erected or owned by the town. He shall have and exercise the powers and duties of inspector of wires as provided by chapter one hundred and sixty-six of the General Laws, the appointment hereunder to be in lieu thereof. He shall supervise the erection of all poles, posts, supports, electrical equipment, machinery and other electrical equipment and appliances required by the town in all departments, and shall see that the same are maintained in good order and condition. He shall have the supervision of all street lamps installed by order of the board of selectmen and attend to all complaints arising from lack of service by any light, and shall see that schedule service is maintained, and report to the supplier any lack of same.

Section 3. All existing provisions of law applicable in case of an inspector of wires and under chapter one hundred and sixty-six of the General Laws, shall apply hereunder, and said town is hereby given authority to adopt reasonable by-laws for the enforcement hereof.

Section 4. Under this act in said town, authority of the chief of the fire department as to the fire alarm system and the maintenance and repair thereof under chapter forty-eight, section forty-two, of the General Laws shall cease upon establishment of a wire department.

Section 5. This act shall take effect upon its acceptance by a majority of the voters of the town of Cohasset at any town meeting called within two years after its passage, but not otherwise.

ARTICLE 37. To see if the Town will vote to accept Section 42a to 42f, inclusive, of Chapter 40 of the General Laws as

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

amended, which provides in general for the collection of water rates and making the same a lien upon real estate furnished with water, or act on anything relating thereto.

VOTED: By a hand vote, that the Town vote to accept Section 42a to 42f inclusive of Chapter 40 of the General Laws as amended providing in general for the collection of water rates and making the same a lien on real estate furnished with water.

Yes, 193. No, 0.

VOTED: Unanimously, by a voice vote, at 9:30 p.m., that this meeting be adjourned.

Total appropriations, less appropriations from free cash and other available funds .....		\$543,241.81

## SPECIAL TOWN MEETING

Held August 21, 1950

At the Special Business Meeting held at the Ripley Road School at 8:00 p.m., August 21, 1950, the following articles were contained in the Warrant and Acted upon as recorded:

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

Checkers previously appointed for entrance by the Selectmen and sworn in by Town Clerk William H. Morris at 7:30 p.m., were Mary N. Grassie, Rosilla Trott, Mamie Keegan and Grace E. Beal.

The Meeting was opened at 8:55 p.m. by the moderator and the Town Clerk proceeded to read the call of the meeting.

Tellers appointed by the Moderator and sworn by Town Clerk William H. Morris at 8:55 p.m. were Henry E. Sweeney and David E. Truesdell.

The moderator ascertained from the checkers the number of voters present as checked on the incoming voting lists was 221.

ARTICLE 1. To see if the Town will vote to raise and appropriate a sufficient sum of money for the purpose of increasing its present source of water supply by developing additional well fields, to include wells, pipes, and original pumping station equipment, and for laying water mains of not less than six (6) inches, but less than sixteen (16) inches in diameter for conveying water therefrom to its present mains and water system, and to acquire by purchase or take by eminent domain land and interests in an area lying southerly of the gravel-pit lot, so-called, and northerly of Sohler Street, adjacent to the New York, New Haven & Hartford Railroad Company location belonging to said Railroad Company to Kendall T. and Gorham L. Bates and Ziba T. Lapham, consisting of about five (5) acres more or less, and will authorize its Water Commissioners to make said purchase or taking; and to meet said appropriation will determine whether to transfer all or any part thereof from available funds, from any unexpended balance appropriated under Article 30 of the Warrant for the 1950 Annual Town Meeting, from any unexpended balance of Water Department revenue, or by borrowing; will authorize said Commissioners to contract in all matters necessary to accomplish the same, or what other or further action it will take relative thereto.

First Motion. VOTED: By a hand vote, that the sum of \$25,000 is hereby appropriated for increasing the Town's present source of water supply by developing additional well fields, to include wells, pipes, and original pumping station equipment, and for laying water mains of not less than six (6) inches, but less than sixteen (16) inches in diameter for conveying water therefrom to its present mains and water system, and to acquire by purchase or take by eminent domain land and interests necessary therefor, including land and interests in an area lying southerly of the gravel-pit, so-called, and northerly of Sohler Street, adjacent to the New York, New Haven & Hartford Railroad Company location belonging to said Railroad Company to Kendall T. and Gorham L. Bates and Ziba T. Lapham, consisting of about five (5) acres more or less, and the water commissioners are hereby authorized to make said purchase or taking, and for the installation of an 8" line along Ripley Road to connect with Sohler Street and North Main Street including the installation of one hydrant; and to meet said appropriation the Treasurer, with the approval of the Selectmen is hereby authorized to issue and sell \$25,000 bonds or notes of the Town payable in annual instalments within fifteen years from their date.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

Hand Vote, Yes, 201; No, 1.

Second Motion. VOTED: By a hand vote, that the unexpended balance of the sum appropriated under Article 30 of the Warrant for the 1950 Annual Town Meeting is hereby transferred and appropriated for the purposes set forth in the preceding vote.

Hand Vote, Yes, 203; No, 1.

ARTICLE 2. To act upon the following resolution:

"Be it Resolved: That it is the unanimous sentiment of this Special Town Meeting that the thanks of the citizens of Cohasset be extended to the Very Reverend William L. Keleher, S. J., President and Board of Trustees of Boston College and to the Reverend Daniel Linehan, S. J., of Weston College in appreciation of the very generous contribution of the time and services of Father Linehan in finding for the Water Department a supply of potable water and that the Town Clerk is hereby instructed to furnish a copy of this resolution to the above-named parties.

VOTED: By a voice vote, that the Town Clerk send copies of the above resolution as printed in the warrant.

VOTED: Unanimously by a voice vote at 9:15 p.m., that this meeting be adjourned.

ATTEST:

WILLIAM H. MORRIS,  
Town Clerk.

### Questions

#### QUESTION No. 1

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 9, 1947, received 244 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held June 8, 1949, received 242 votes in the affirmative and 7 in the negative?

YES.....

NO.....

#### SUMMARY

This proposed amendment of the Constitution provides for the time when the respective terms of office of the governor, lieutenant-governor and councillors shall begin and the time when their respective terms shall end. It also makes provision relative to the succession to the office of governor in the event of the death of the governor elect before qualification for the office of governor; and it further makes provision relative to the succession to the office of governor in the event of the death of both the governor elect and the lieutenant-governor elect before qualification for their respective offices.

#### QUESTION No. 2

Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held June 4, 1948, received 154 votes in the affirmative and 44 in the negative, and in a joint session of the two branches held June 8, 1949, received 160 votes in the affirmative and 93 in the negative?

YES.....

NO.....

#### SUMMARY

This proposed amendment to the Constitution provides for an increase in the number of signatures of qualified voters required upon an initiative or upon a referendum petition, and it further makes provision for changes in legislative procedures thereon with reference to dates upon, or within which, acts shall be done in the various stages necessary to be taken upon such petitions.

#### QUESTION No. 3

Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

YES.....

NO.....

#### SUMMARY

This measure provides for minimum payments of seventy-five dollars per month, or eighty-five dollars per month if blind, as assistance to deserving aged persons who have reached the age of sixty-three years or over and are in need of relief and support.

#### QUESTION No. 4

Do you approve of a law summarized below on which the House of Representatives did not vote and on which the Senate did not vote?

YES.....

NO.....

### SUMMARY

This measure provides for the creation of a Massachusetts commission for the purpose of conducting once every month a lottery drawing to raise additional funds by means of tickets sold to the public, within the Commonwealth, the net proceeds to be divided as follows: 50 per cent to the winners as prizes, 35 per cent for assistance to needy aged persons, 7½ per cent for assistance to needy blind persons, 7½ per cent for assistance to dependent children.

### QUESTION No. 5

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 77 in the affirmative and 139 in the negative and in the Senate by a vote of 13 in the affirmative and 25 in the negative?

YES.....

NO.....

### SUMMARY

The proposed measure strikes out the first sentence of section 113B of chapter 175 of the General Laws (Tercentenary Edition) as most recently amended by section 4 of chapter 459 of the acts of 1935, and inserts in place thereof a sentence which provides that the Commissioner of Insurance shall annually, on or before September fifteenth, after due hearing and investigation, fix and establish fair and reasonable classifications of risks and adequate, just, reasonable and non-discriminatory premium charges to be used and charged by insurance companies in connection with the issue or execution of motor vehicle liability policies or bonds, as defined in section 34A of chapter 90 of the General Laws, for the ensuing calendar year or any part thereof, but said classifications and premium charges shall be uniform throughout the Commonwealth and shall not be fixed or established according to districts or zones.

### QUESTION No. 6

A. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES.....

NO.....

B. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

YES.....

NO.....

### QUESTION No. 7

A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wine and all other alcoholic beverages)?

YES.....

NO.....

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

### QUESTION No. 8

(a) If a voter desires that this city (or town) shall declare by popular referendum that a shortage of rental housing accommo-

## ANNUAL REPORT, TOWN OF COHASSET, 1950

dations exists which requires the continuance of federal rent control in this city (or town) after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of the Housing and Rent Act of 1950, he will vote "YES" on said question.

(b) If he desires that federal rent control shall cease to be in effect in this city (or town) at the close of December thirty-first, nineteen hundred and fifty, he will vote "NO" on said question. If a majority of the votes cast in any such city or town in answer to said question is in the affirmative, such city or town shall be deemed to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty, and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said act. If a majority of the votes cast in any such city or town in answer to said question is not in the affirmative, such city or town shall be deemed not to have declared by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental accommodations exists which requires the continuance of federal rent control in such city or town after December thirty-first, nineteen hundred and fifty.

Shall a declaration be made by popular referendum, pursuant to the Housing and Rent Act of 1950, that a shortage of rental housing accommodations exists which requires the continuance of federal rent control in this city (or town) after December thirty-first, nineteen hundred and fifty and until the close of June thirtieth, nineteen hundred and fifty-one, in accordance with the provisions of said Act?

YES.....

NO.....

The following Tellers were sworn in by Town Clerk William H. Morris at 9:00 o'clock a.m.:

Chauncey DelGrosso	Katherine F. Donovan
Frank O. Pattison	Thomas J. Silvia
Manuel A. Marks	Anthony J. Rosano
Mary E. Stoddard	Vincent J. Garofola
Mildred T. Browne	Nellie E. DeSantos
Helena F. Enos	Roscoe A. Bowser
Edward M. Fleming	Austin L. Ahearn, Sr.
Mrs. Herbert E. Morse	Harry A. Hetue
Mary S. Morris	

At 8:00 p.m., the polls were closed. The Ballot Box registered 1836, the Ballot Check List had 1836 names checked, the Voting Check List had 1836 names checked. Total number of ballots cast was 1836.

The following vote was declared:

## VITAL STATISTICS

### Records of Births, Marriages and Deaths

#### Recorded in 1950

---

#### Births

Total number of births recorded was one hundred and twenty-six, of which fifteen were delayed returns and corrections of past years, forty being born in Cohasset and seventy-one in other cities and towns. Of the one hundred and eleven born in the year 1950, there were thirty-six where the parents were residents of other cities and towns. Of the seventy-five whose parents were residents of Cohasset, thirty-six were males and thirty-nine were females.

#### Marriages

Total number of marriages was fifty-four including those where both parties were non-residents of Cohasset. Thirty-two marriages were solemnized in Cohasset during the current year.

#### Deaths

Total number of deaths was sixty-three including residents of Cohasset who died elsewhere and non-residents who died in Cohasset. Of the forty-one who were residents of Cohasset, seventeen were males and twenty-four were females.

The principal causes of death were as follows:

Senility .....	3	Coronary Heart Disease ....	1
Carcinoma of Pancreas ....	1	Coronary Thrombosis .....	4
Chronic Myocarditis .....	2	Rheumatic Heart Disease ...	1
Broncho Pneumonia .....	3	Porencephaly .....	1
Pulmonary Edema .....	1	Cerebral Arterio Sclerosis ..	1
Bilat Congenital-Atelectanis		Edema .....	1

### PARENTS, BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL

“Parents, within forty days after the birth of a child and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the Clerk of the Town where such child is born.”—General Laws, Chapter 46, Section 6.

Many times returns are made by doctors and hospitals before a child has been named. Make certain your child's name is recorded.

### SOME OF THE REASONS WHY BIRTHS SHOULD BE RECORDED

To establish identity. To prove nationality.

To prove legitimacy.

To show when the child has a right to enter school.

To show when the child has the right to seek employment under the child labor laws.

To establish the right of inheritance of property.

To establish liability to military duty, as well as exemption therefrom.

To establish the right to vote.

To qualify to hold title to, and to buy and sell real estate.

To establish the right to public office.

To prove the age at which the marriage contract may be entered into.

To make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

---	------

Respectfully submitted,

IRA N. PRATT, Chairman

LOUISE E. CONROY

CLARENCE M. GRASSIE

WILLIAM H. MORRIS, Clerk

Board of Registrars of Voters.

**TOWN ACCOUNTANT'S REPORT**

**For Year Ending December 31, 1950**

---

February 7, 1951.

To the Honorable Board of Selectmen and to the  
Citizens of Cohasset:

I herewith present my annual report in accordance with Section 61, of Chapter 41, of the Tercentenary Edition of the General Laws, for the year ending December 31, 1950, showing in detail the appropriations, expenditures, and the receipts from each source of income. Also a recapitulation sheet and a balance sheet showing the assets and liabilities and trust accounts.

In accordance with Section 53, of the Tercentenary Edition of the General Laws, the records of permits and licenses issued by the Selectmen and other departments receiving money for the Town or committing bills for collection were examined and checked, the reported payments to the Town Treasurer being compared with the Treasurer's recorded receipts, also the savings bank books and securities representing the investment of the several trust funds in custody of the Town Treasurer. I have further reconciled the accounts of the trust funds in custody of the Trustees of the Cohasset Free Public Library and Paul Pratt Memorial Library.

I hereby certify that I have verified the Town Treasurer's cash during the year, and reconciled the bank accounts, and found them correct, which is in accordance with Section 50 of Chapter 41, of the Tercentenary Edition of the General Laws. I also certify that during the year, made a complete audit of the books and accounts of the Tax Collector, and found them correct.

During the year a complete audit was made of the books and accounts of the Cohasset Water Department.

You will also find at the end of the report, detail payroll expenditures of each department. You will find detail of salaries reported by the Paul Pratt Memorial Library in their report.

In accordance with Section 57 of Chapter 41, of the Tercentenary Edition of the General Laws, you will find a detail report of the Town's Debt which amounts to \$1,308,000.00.

In closing, I wish to take this opportunity to thank all departments for their sincere cooperation this past year.

MALCOLM H. STEVENS,  
Town Accountant.

## REPORT OF THE COMMITTEE ON TOWN HISTORY

To the Honorable Board of Selectmen  
Town Hall  
Cohasset, Massachusetts

Gentlemen:

During the past year the Committee on Town History has held eight meetings, two of them in association with the Cohasset Historical Society. The work of collecting information for the new Town History volume has proceeded and the author has now completed about one hundred pages of manuscript of the new book, which is more than one-half of its final text. The manuscript should be completed by the Town Meeting of March 1952 and at that time the Committee expects to present a request that the Town authorize an appropriation for publication of the new volume.

The Committee requests that it be continued in existence for the completion of the manuscript and that its remaining appropriation be carried over for this purpose.

Respectfully submitted,

HENRY F. HOWE,

Chairman.

## REPORT OF COHASSET POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

In compliance with the provisions of Article 3, Section 3 of the By-Laws, I have the honor to submit a report of the work of the Cohasset Police Department for the year ending December 31, 1950:

### Official Roster of the Department

#### CHIEF

Hector J. Pelletier

#### SERGEANT

Benjamin F. Curley

#### PATROLMEN

James J. Sullivan

Thomas B. Kane

John J. Rooney

Louis J. Simeone

Randolph A. Feola

#### CLERK

Rosalie Conte

#### SPECIAL OFFICERS

Frank E. Jason

George E. Haley

Ralph S. Enos

Carmelo Conte

John J. Ferreira

John L. Wheelwright

Edwin A. Peterson

Vincent E. Sinopoli

Frank J. Migliaccio

George W. Kohlmeyer

Austin L. Ahearn, Jr.

Richard P. Barrow

#### AUXILIARY POLICE

##### CAPTAIN

Robert B. James

##### SERGEANTS

Lawrence Petersen

E. Lawrence Parker

#### DEPARTMENT PHYSICIAN

Henry F. Howe, M.D.

#### TRAFFIC ADVISOR

Hugh F. Strain

# ANNUAL REPORT, TOWN OF COHASSET, 1950

## PATROLMEN

Daniel S. Campbell	Rocco Laugelli
Kempton Churchill	Charles J. McAuliffe
Arnold Petersen	Leo S. Cummings
Harold Brown	Fred B. Jenkins
Edward Jacome	Charles A. Marks
William Blair	Louis N. Simeone
Leonard Lawrence	Lawrence Gates
Milton Rogers	Joseph S. Dunn
Kenneth Evans	William D. Enos
Kendrik Kip	David Truesdel
Frank Williams	Bernard Mulcahy
Frederick H. Grassie	Donald T. Gammons

McQuarrie Rest Home, Weymouth . . . . .	1
Braintree Manor Rest Home, Braintree . . . . .	1
Total . . . . .	119
Mileage of ambulance for the year . . . . .	5550
Number of hours Officers assigned to ambulance . . . . .	430

### RECOMMENDATIONS

The morale of any police department is affected by the satisfaction that is derived from their work, and one of the principal factors conducive of good morale is compensation that provides a decent standard of living. By reason of the action of the citizens of Cohasset at the annual Town Meeting and with the approval of your Honorable Board, certain increases have been given to the members of the Police Department in the past. As of today, these salaries are far below the average pay received by police officers. I therefore respectfully request that the scale of wages submitted to your honorable board by the men of this Department be acted upon favorably. Together with the more liberal pension rights granted by the citizens, this will make police work more attractive and satisfying, and, I am sure, will be reflected in the quality of protection rendered our community.

#### *Personnel*

Since 1928 the same number of Police Officers has been maintained by this Department. In fairness to the men in this Department who have to be out in the cruising cars alone after 1 A.M., I respectfully recommend that an additional Police Officer be appointed to the Department so that we may continue to serve you efficiently and stop the practice of men being called out at 3 or 4 o'clock in the morning after having completed a day's work. Only recently one of the cruisers was struck by a drunken driver on Route 3A. Fortunately, the Officer was trying the doors of a certain building at the time of the accident. This additional Officer will eliminate the loss of time in answering calls. This will also eliminate the employing of a temporary Officer at the Cove during the summer months.

#### *Juvenile Delinquency*

I am pleased to report that there has been a decrease in the number of juvenile delinquency cases during the past year. Just as long as the citizens of this fine community judge their Police Department not by the number of arrests it makes, but by the number of arrests it prevents, we will be successful in our endeavor to give every boy and every girl the right to want to be right.

#### *Beaches*

Because of the many complaints received by this Department from our citizens, may I respectfully recommend that an article adopting the following By-Law be inserted in the Annual Town Warrant: "No person shall allow any dog owned by him or under his custody or control, to be on any beach in the Town except on a leash not exceeding seven feet in length. Any violation of this section shall be punishable by a fine of not more than ten dollars for each offense."

#### *Parking Space*

The new parking space is now completed. This will be a great asset, providing our citizens, especially those who work in the center of the Town, make use of it. I am certain that with the new traffic rules which your Board is considering, our traffic problem in the center of the Town will be solved.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

### *Auxiliary Police*

The Department is now in the process of training men who have been appointed to the Auxiliary Police. For the splendid co-operation given in the training of these men, may I say to Col. Walter H. Lillard, Henry F. Howe, M.D., and Robert B. James, thank you.

### *Appreciation*

May I express to your honorable board and to the people of Cohasset my sincere appreciation of the constant support you have extended to me.

Respectfully submitted,

HECTOR J. PELLETIER,  
Chief of Police.

---

## REPORT OF HIGHWAY SURVEYOR

January 22, 1951

To the Citizens of Cohasset:

Your Highway Surveyor's report for year ending December 31, 1950:—The mild winter and small amount of snow left our streets in fairly good condition.

Nevertheless repairs, while not extensive had to be attended to. The following streets were tarred: Elm, Elm Court, Border, Parker Avenue, Stockbridge, Atlantic Avenue, King and Forest Avenues. One half inch crushed stone spread on hot tar, was put on parts of Jerusalem Road, Elm and Summer streets, also on Main through center of Town. 37,255 gals. of tar used. Catch basin and drain put in on Beechwood Street opposite Mr. Brown's store.

The widening of Jerusalem Road at hill near Bow Street, was accomplished after much delay — due to uncontrolled factors. The Water Department awaiting the result of vote at Annual Town Meeting to relocate water main on Jerusalem Road from bottom of hill opposite Gammons Road to approximately 300 feet below Bow Street, the original lay out went through Salt Marsh, as well as legal requirements relating thereto. About 100 feet of solid rock required deep drilling and blasting for the water main, where the road was widened. The practical procedure was to await the completion of this work before finishing the road widening. When seasonal weather arrives a new fence and other necessary work is to be done that will complete the job.

The expenditure for snow removal was the smallest in years.

To our very good Town officials, I heartily extend my thanks for their co-operation, to many of our citizens for helpful suggestions.

Respectfully submitted,

WILLIAM T. BARNES

## ANNUAL REPORT, TOWN OF COHASSET, 1950

### REPORT OF COHASSET FIRE DEPARTMENT

To the Honorable Board of Selectmen  
Gentlemen:

I hereby submit my report of the Fire and Forest Fire Departments for the year ending December 31, 1950.

#### FIRE ALARMS AND FIRE LOSSES

Bell Alarms .....	43
Still Alarms .....	100
Total .....	143
Buildings .....	30
Needless .....	2
Mutual Aid .....	5
Brush and Grass .....	51
Automobiles .....	6
Dump .....	5
Miscellaneous Calls .....	34
False .....	4
First Aid .....	5
E. & J. Machine .....	1
Total .....	143

#### VALUE OF BUILDINGS AND CONTENTS

Buildings .....	\$123,875.00
Contents .....	80,000.00
	<hr/>
	\$203,875.00
Automobiles .....	1,750.00
Total .....	\$205,625.00

#### INSURANCE PAID

Buildings \$455.00	Contents \$515.00 .....	\$970.00
Total insurance paid .....		\$970.00
Total uninsured loss .....		100.00
		<hr/>
Total loss insured and uninsured .....		\$1,070.00

#### TRUCKS

The new 500 gallon Mack pumping engine was delivered in September and put into commission, and the White pumping engine is now in storage for emergency use. Repairs have been made on both Engine No. 1 and No. 3 and also the Ladder truck. All trucks are in very good condition.

#### INSPECTION

During the past year 341 permits were issued, as follows: 128 for installation or alteration of oil burners, 19 for liquefied gas, 33 for blasting, 142 for the storage of fuel or range oil, and 19 for the storage of liquefied gas. I wish to call to the attention of the citizens that a permit is required for the storage of fuel or range oil, and for liquefied gas. The permit must be in the name of the owner or tenant, otherwise it is void.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

### FOREST FIRE DEPARTMENT

During the year 1347 permits were issued for open air fires. There were a great deal less calls for grass fires this year, and I am sure that the citizens have been more careful. The town was patrolled during the dry periods of the year, and very few violations of the fire laws were found.

In concluding my report, I wish to extend my thanks to the Honorable Board of Selectmen and to the heads of the Town Departments for their cooperation and assistance.

To the officers and members of this Department, I wish to express my sincere thanks for their services and cooperation on all occasions during the year.

Respectfully submitted,

JOSEPH L. OLIVER,

Chief of Fire Department  
and Forest Warden.

---

### REPORT OF THE BOARD OF HEALTH

To the Voters of Cohasset:

The Town, last year as in the past, has been fortunate in having no widespread epidemic of any particular contagious disease. This no doubt can be attributed in no small degree to the efficiency of the school physician, Dr. Marion Fernald; the Public Health Nurses, Mrs. Olive Wheeler and Miss Agnes Weir, who have cooperated with this department in the control of communicable diseases, immunization clinics. etc.

Immunization against tetanus will be added this year to our annual immunization clinics which were organized 17 years ago as a Diphtheria Immunization Clinic and to which was added whooping-cough immunization several years ago. This department was reluctant to add tetanus immunization heretofore due to the fact that the State Department of Public Health did not recommend the combined triple inoculation until this year. With the addition of the tetanus immunization, our clinics, together with the Well Baby Conferences, provide our Town with a well balanced health program comparable to any city or town in the Commonwealth.

The Clinics, the bi-monthly Well Child Conferences and the form for immunization purposes, provided more service last year for a greater number of parents and children than in previous years. Further details in regard to the foregoing is contained in the report, which follows, of the Public Health Nurse and the Social Service League which is providing a staff for the Clinics, transportation for parents and children, and keeping records, has been of invaluable assistance to the Board.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

A new nuisance, the wood-tick, has developed in this area during the past five years or so. Last summer there seemed to be a considerable increase in numbers of this insect over the previous years, and while their natural habitat is dogs and other animals, it was found that many children were being affected by them.

Your Selectmen, Tree Warden and members of this department held several conferences in an effort to devise ways and means to abate this nuisance. State Department officials who were requested to visit Cohasset made surveys and recommendations for spraying for the purpose of eliminating the pest. Following this, we were fortunate, through the co-operation of the Plymouth County Commissioners, in having their plane include Cohasset in their insect control program and our Town was sprayed with a DDT solution which not only checked the spread of Gypsy Moths and other such insects but also proved to be very effective against the wood-tick.

Three years ago this Department recommended that an article be inserted in the warrant of the Annual Town Meeting, requesting that a committee be appointed for the purpose of determining the source of pollution of the Cohasset Harbor.

A committee which included the members of this department was appointed and subsequently reported back at the next Annual Meeting with certain findings and recommendations and requested that the Committee be continued and provided with an appropriation of funds for the purpose of engaging engineers for surveys, plans, etc.

The Committee, with the exception of the members of the Board of Health and one or two other changes, have functioned during the past year and their final report will no doubt be available at this coming Town Meeting.

Improvements at the Town Dump consisted of the erection of additional wire fence for added fire protection, resurfacing and paving the driveway leading to the dump proper. Further fire protection has been provided by the action of the Town Planning Board in improving the source of the water supply, installation of an adequate electric pump and two conveniently located fire hydrants.

Mr. Charles Frates, the Department Milk Inspector, has inspected dairies and farms throughout the year and has collected samples of all milk and cream delivered in Cohasset for analysis purposes as to bacteria count, fat content, etc. Also, at the request of the Woman's Club, all milk companies were notified and requested to have their milk dated as to delivery.

Forty-seven official burial permits were issued last year. All milk dealers were licensed as were owners of trucks engaged in the business of carting rubbish, garbage, etc.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

Contagious diseases reported were as follows:

Chicken Pox .....	63
Diphtheria .....	1
Dog Bites .....	20
Mumps .....	31
Whooping Cough .....	4
German Measles .....	2

The reports of the Board of Health School Dentist, Public Health Nurse, and Social Service League relative to clinics, follow.

Respectfully submitted,

NATHANIEL HURWITZ, Chairman

EDWARD E. TOWER, Secretary

FRED W. SULLIVAN

---

## REPORT OF THE SOCIAL SERVICE LEAGUE

Board of Health

Cohasset, Massachusetts

Gentlemen:

I herewith submit a report of the work accomplished by the Public Health Nurses of the Social Service League of Cohasset, Inc., for the Board of Health from January 1, 1950 to December 31, 1950.

<i>Statistical Report</i>	<i>Cases</i>	<i>Visits</i>
Antepartum .....	55	194
Postpartum .....	73	73
Acute Communicable Disease .....	80	136
Other Communicable Disease .....	1	1
Crippled Children Service .....	6	8
Health Supervision		
Newborn .....	59	128
Infant .....	77	308
Preschool .....	199	750
Immunization .....	224	252
Tuberculosis .....	12	62
Unclassified .....	..	48
	<hr/> 786	<hr/> 1,960

During the year, one hundred and fifty-three (153) hours of nursing time was spent in clinics.

Immunization clinic—3.

Three hours each clinic—2 nurses attending.

Immunization clinic—1.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

Three hours each clinic—1 nurse attending.  
Well Baby Conferences—12.

Four hours each conference—1 nurse attending.  
Well Child Conferences—12.

Four hours each conference—1 nurse attending.  
Norfolk County Hospital O.P.D.

12 trips—3 hours each—1 nurse attending.  
Clinic time is not included under "visits" and does not appear elsewhere under any other heading.

### IMMUNIZATION CLINICS

Four immunization clinics were held between March 9, 1950 and May 11, 1950, with Dr. Marion Fernald officiating physician.

#### *Immunization Completed at Local Clinics*

67 children received combined diphtheria toxoid and pertussis booster injections

17 children received combined diphtheria toxoid and pertussis—3 injections

#### *Incomplete Immunization*

2 children received combined diphtheria toxoid and pertussis—2 injections

1 child received combined diphtheria toxoid and pertussis—2 injections (3rd given by family physician)

Total number of cases checked by nurses—224.

Total number of visits—252.

Children checked during the round-up who received treatment by private physician:

Triple immunization .....	68
Booster immunization .....	56

Total .....	124
-------------	-----

Four (4) children were denied any type of immunization.

Total number of cases at local clinic—88.

Total number of treatments given—126.

### TUBERCULOSIS STATUS IN COHASSET—DECEMBER 31, 1950

Known active cases .....	3
New cases (active) .....	0
Contacts with active cases—examined and reported negative	4
Suspicious of tuberculosis—examined, X-rayed, reported negative .....	14

The Patch Test has been applied to forty-seven (47) children through the Well Children Conferences during the year. Forty-six cases had negative readings, one a positive reaction. This one case was followed by chest X-ray at the Norfolk County Hospital and reported as negative of tuberculosis.

	1950	1949
Nursing visits of supervision .....	62	74

### WELL CHILDREN CONFERENCES

The Well Baby Conference has been held on the first Tuesday of each month with Dr. Stewart Clifford as visiting pediatrician. This is a free service offered to all babies of Cohasset up to two years of age by your local Board of Health. The conference hours are 2-4 P.M., and babies are seen by appointment only. Due to the number of babies attending these conferences and the space available for waiting room, it has become necessary to adhere to a more strict schedule. We solicit the co-operation of all mothers. Please keep your appointment at the APPOINTED TIME. Arriving too early or too late makes confusion and actual discomfort for both patients and workers. Do NOT come without an appointment. Appointments may be made by calling the nurses' office, COHASSET 4-0771 between 8:30 and 9:00 A.M. or 1:00-2:00 P.M. daily except Sunday.

<i>Attendance</i>	<i>New    Revisits</i>		
Infants (Birth-1 yr.)	87	112	Total visits 1950, 276
1 yr. - 2 yrs.	36	41	Total visits 1949, 265

From the Well Baby Conference 40 cases which included fourteen different conditions were noted and referred to the family physician or to the nurses for follow-up.

The *Well Child Conference* has been held on the third Tuesday afternoon of each month with Dr. John Hubbell as visiting pediatrician. This conference is held for children between the ages of 2-5 years on an appointment schedule. During the year sixty-five cases, which included eleven different conditions, have been referred for correction to outside sources.

*Attendance:* 1950, 132; 1949, 148.

One nurse and Mrs. Parkes, nutritionist, assisting at all Well Children Conferences. Volunteer workers have been very generous with their time, both in the conferences and helping with our transportation problems. Their services are gratefully acknowledged.

The American Red Cross Motor Corps, Miss E. Light, Chairman, has given faithful and willing service to the Nursing Service. Many trips have been made to the clinics and hospitals with patients in need of treatment who had no other means of transportation.

In co-operation with the Norfolk County Chapter of the National Foundation for Infantile Paralysis, a window display was prepared by Miss Mary Wilson. This display gave some general information of the "Symptoms of Infantile Paralysis" and "What to Do Should Infantile Paralysis Hit Your Family." The display remained in the window of a local store throughout the polio season.

The services of Mrs. Francis Wright, Social Worker, and Mrs. Mary Parkes, Nutritionist, of the Social Service League have been solicited whenever their services have been required.

The Nutritionist and Social Worker, co-operating with the nurses in services for the Board of Health, offer the following reports:

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

### *Nutritionist report:*

Well Baby Conference .....	11
Well Child Conference .....	11
Total .....	22
Mother conferences at W.B.C. ....	212
Mother conferences at W.C.C. ....	117
Total .....	329
Home visits to Infant and Preschool Children .....	84
Prenatal: Cases 32, Home Visits 42	

### *Social Work report:*

During the year eleven cases with social problems have been referred by the Nurses. Five of these cases required intensive work.

By close co-ordination of all the services of the League we have tried to furnish the community with a well-rounded program.

Respectfully submitted,

OLIVE WHEELER, R.N.

---

## REPORT OF HARBOR MASTER

The Honorable Board of Selectmen:

Gentlemen:

The past year of 1950 was a very active one, due to an additional increase in boating, two bad storms and channel and harbor dredging.

In the Spring when getting the floats ready we completely retopped the Lawrence Wharf float and had the cupola on this pier painted. The labor for this painting was donated by Mr. George Jason, the Harbor Dept. supplying the cost of the materials.

All the other town floats were repaired, painted and installed for the public use early in April.

The Red Cross swimming float was painted and put out for swimming instructions. A new diving board and area buoys were installed. The diving board and buoys were donated by the Red Cross with the town paying for painting and installing.

This project is growing very fast and is doing wonderful work. We hope to be able to help them in every way possible in the future as we have tried to do in the past.

In the early and late Fall we had two bad storms. The early September storm nearly ruined the lobster fishing industry.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

We were very fortunate in surviving this storm without the loss of a single boat in our harbor, ours being one of the only harbors on the coast with this record.

For this we wish to thank the Cohasset Yacht Club, the lobster fishermen and other interested yachtsmen who stood by all night to save boats as fast as they broke loose. Also to Mr. John Carzis who lighted the Hugo's Lighthouse lights to aid in being able to see the boats at all times and to Mr. Fred White who stood by with his power boat and saved several boats before they came ashore.

We also wish to thank Mrs. Ware and her Cohasset Red Cross Disaster Crew who kept all hands supplied with coffee, sandwiches and doughnuts all night.

The November storm was not so serious although it did cause much anxiety to the people who still had their boats in the water.

Last Fall, through the untiring efforts of your Board and State Representative, Nathaniel Hurwitz, we were very fortunate to have been able to get some dredging done in our channel and harbor. This was most certainly needed. We now have 90-foot channel, 9 feet deep at low water. This channel had filled in places to 30 inches wide and less than 2 feet deep at low ebb.

We were also able to have the Cove section of the harbor dredged for the first time in about 25 years. We are very pleased about this but certainly not satisfied. Our harbor is in desperate need of enlarging and deepening and we should continue in our effort to have this done.

We had anticipated asking for an appropriation for this purpose this year but feel with the present conditions, this would be unwise.

However, we strongly suggest the Town start a harbor dredging budget in order that we will have the money when the opportunity arises as it did this year when we were given three-to-one help by the State. Had we had a sufficient amount of money instead of only the \$15,000 we had appropriated, we could have completed the whole harbor area.

The State Public Works Dept. and The River and Harbor Commission were and still are very interested in making Cohasset Harbor a bigger and better harbor. We wish to thank them for their help and interest.

In closing, we wish to thank you gentlemen, the Selectmen, for your support at all times.

To the fishermen and yachtsmen for their full co-operation and to the bait truckers for keeping the bait landings clean.

Sincerely,

EDWARD J. ANTOINE,  
Harbor Master.  
BERNARD J. SALVADOR,  
Asst. Harbor Master.

## REPORT OF THE BOARD OF PUBLIC WELFARE, BUREAU OF OLD AGE ASSISTANCE AND AID TO DEPENDENT CHILDREN

To the Citizens of Cohasset:

During the year 23 cases were aided under General Relief, as against 23 in 1949. There were 71 cases aided under Old Age Assistance, as against 60 in 1949, and 15 cases aided under Aid to Dependent Children, as against 13 in 1949, making a total of 109 cases aided during 1950.

In September of this year there was an increase in the Social Security Benefits and 11 cases were effected by the new provisions, as follows:

Under Aid to Dependent Children —	2 cases were closed
	1 case was decreased
Under Old Age Assistance	2 cases were closed
	6 cases were decreased

The total amount paid to Old Age Assistance cases was \$49,386.72. On this category the Town was reimbursed \$20,380.41 by the Federal Government and \$19,731.85 by the Commonwealth. The Federal reimbursement, under the Federal law, must be used for Old Age Assistance only.

The total amount paid to Aid to Dependent Children cases was \$18,759.60. On this category the Town was reimbursed \$6,641.02 by the Federal Government and \$5,737.48 by the Commonwealth. This Federal reimbursement, under Federal law, must be used for Aid to Dependent Children only.

The total amount paid for Old Age Administration was \$3,351.67. The Federal reimbursement on this was \$1,761.64.

The total amount paid for Aid to Dependent Children Administration was \$410.61. The Federal reimbursement was \$853.14. This year 14 instead of 12 reimbursements were made by the Federal Government as they were in arrears, in other words, the reimbursement includes part of previous year.

Due to the increase in the amount of clerical work it has been necessary to employ a part-time clerk.

The Public Health nurses report the following visits made:

	1950		1949	
	Cases	Visits	Cases	Visits
Department of Public Welfare . . . . .	—	—	1	8
Bureau of Old Age Assistance . . . . .	2	26	7	83
Aid to Dependent Children . . . . .	1	1	1	1

All bedside care given by the nurses was by order of the attending physician and approved by the local welfare office.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

We extend our thanks to the individuals, Town Officials and Organizations for the assistance given in our work during the past year.

Please refer to the Town Accountant's Report for financial detail.

Respectfully submitted,

IRA B. P. STOUGHTON, Chairman,  
EVERETT W. WHEELWRIGHT,  
NORMAN CARD,

### REPORT OF THE SCHOOL DENTIST

To the Board of Health  
Cohasset, Massachusetts

Gentlemen:

The following report is rendered for the Ripley Road School Dental Clinic for the period from January 1, 1950 to December 31, 1950. The clinical dental operations were:

#### Restorations

Silver Amalgam (with and without cement bases) .....	779
Synthetic Porcelain .....	61
Anodyne .....	34
Red Copper Cement .....	7

#### Extractions

Deciduous Teeth .....	92
Permanent Teeth .....	20

#### Examinations

Routine without treatment .....	26
Pre-school Clinic .....	51

Prophylaxis Treatments .....	166
------------------------------	-----

Regular clinic days were maintained twice a week throughout the school sessions and the same emphasis as has been our policy during the past years, was placed on rampant decay. This is evidenced by the number of permanent restorations accomplished.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

Oral hygiene talks to the first and second graders, visual education films which tell a story of great importance, instruction at the chair and cooperation with the Art Department by drawing normal and diseased teeth were all included outside of the routine work.

Fluorine therapy, topically applied, was continued, with each child under clinic care receiving three treatments in the course of the school year.

The clinic received a "new look" last summer, having been completely decorated, equipment included.

I wish at this time to express my appreciation to Dr. Fernald, Mrs. Hudson and Miss James for their cooperation at various times.

Respectfully submitted,

WILLIAM G. MATTESON, D.M.D.

---

## REPORT OF THE PLANNING BOARD

In 1950 construction of new houses continued at a high rate with over fifty being built. There were also a large number of alterations to existing houses, many of them undertaken by new owners. Five new subdivisions were approved during the year with a total in excess of forty lots laid out. It is easy to see that the evaluation and population of the town is increasing at a rapid pace.

The Planning Board has undertaken a number of projects this year. The largest amount of time was spent supervising the construction of the well and installation of an electric pump for fire protection at the Town Dump. This project was accepted and turned over to the Board of Health in September. Tests have shown an abundant supply of water and plenty of pressure allowing burning at the dump at all times.

The parking space on the recently acquired New Haven R.R. property was built from plans and recommendations made by the Planning Board. The Board was consulted on the layout for parking at Sandy Beach and on the dredging of the channel and harbor.

To facilitate the study of such future projects as sewer disposal, relocation of fire stations, highway department, etc., the Board has undertaken the preparation of three maps of the town. These maps will show lot size, land use, and evaluation of property and will be available for reference by all citizens of the town. When

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

completed they will comprise the basic elements of a Master Study Plan which the Planning Board is required by law to establish.

The members of the Board wish to thank the various boards, committees and departments of the Town for their increasing cooperation with the Planning Board. It is through such cooperation that the Board can be the most help to the future growth of the Town.

ALBERT HABERSTROH, Chairman  
G. CHURCHILL FRANCIS, Secretary  
ROBERT A. LEONARD  
NATHAN W. BATES  
LANGFORD WARREN

Planning Board.

### REPORT OF THE DIRECTORS OF THE PAUL PRATT MEMORIAL LIBRARY

During the past year because of changes in the ministry of both the Second Congregational Church and the First Parish Unitarian Church, we had occasion to welcome to our Board two new Directors: Rev. Gaston M. Carrier became the Minister of the Unitarian Church in March, and Rev. Frank B. Chatterton Minister of the Second Congregational Church in September. Both of these gentlemen have been present at our meetings and have been of great help in formulating the policies of the Board.

We are also happy to announce that during the year our Librarian, Mrs. Sarah E. Heywood, applied for and obtained papers qualifying her as a Certified Public Librarian. We are happy that both her training and experience qualified her for this Certificate.

We submit below the reports of our Treasurer and our Librarian for the year 1950.

WILLIAM R. RIPLEY, JR., Chairman  
REV. FRED V. STANLEY, Treasurer  
REV. GASTON M. CARRIER  
REV. FRANK B. CHATTERTON  
ROLAND D. EARLE

Treasurer

## REPORT OF THE LIBRARIAN OF THE PAUL PRATT MEMORIAL LIBRARY

To the Directors of the Paul Pratt Memorial Library:

Once again the past year has shown a general increase in the use of the Library. From all reports and predictions Libraries were due to suffer from the onslaught of television into the American home. However, thus far it has not affected the Paul Pratt Library although the Beechwood Branch has shown a decline in circulation of 518 books. Miss Stoddard seems to feel this is due to television. The overall circulation is about two thousand above that of last year showing that the main Library was able to absorb the deficit and show an increase.

Classes in Library instruction were held for the fifth grade early in the year. The children in this grade come to the Library during school hours in groups of twelve, and are instructed in the use of the Children's room. This fall we instituted the same type of instruction for the High School in the use of the adult section. Each English class in the High School visited the Library during school hours for instruction in reference work, and general use of the Library. The success of this program depended on the co-operation of the School with the Library, and we received this co-operation to the fullest extent. The monthly deposit of books to both elementary and high school has been carried on this year as in the past. Over three hundred books are sent to the schools monthly from September to June.

The Spring Festival of Children's Books and the annual Book Week in November were happy occasions — new children's books are always fascinating to young and old. During Book Week the elementary school visited the Library by grades with their teachers. In this way children living too far away for easy access are given a chance to see us, and often then find a way to come again. At ten o'clock on Saturday mornings Miss Nancy Ericsson has charge of a story hour for children. Not only are stories told, but pictures are drawn and displayed. This group is small but certainly happy and congenial.

We have borrowed heavily this past year from the Division of Public Libraries. This is a service much appreciated by the Librarians and many of our borrowers who find occasion to use it.

The adult reading room has been made interesting and attractive by various art exhibits. Early in the year we had an exhibit of MacIvor Reddie's colorful paintings, then an exhibit of portraits by Mrs. John Goodnough of Greenbush. During August Miss Harriet Blake exhibited sketches she had made the preceding winter on her bicycle tour of Ireland, and in the early fall we had an exhibit of period drawings by Henry Long. The members of the Amateur Garden Club had many lovely floral arrangements during the year.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

The Book Committee has been diligent in its search for books of lasting value, and many of these have been added to the Library along with books of general interest and popular appeal.

Gifts were received from the following: Mrs. E. J. Cohn, Mrs. Cleveland Bigelow, Dr. Charles White, Mrs. A. J. MacKinnon, Mr. Norman Scott, Mrs. Richard Ware, Mr. Willard Putnam, Mrs. A. L. Lincoln, Mrs. Josephine Haggerty, Mrs. Anne Louise Wheeler, Mrs. Frederick Good, Mrs. Elisha Hall, Mrs. Samuel Swallow, Mr. L. G. Gale, Mrs. Walter Binnian, Miss Mary Naun, Dr. W. S. Bryant, the American Unitarian Alliance and the Cohasset Historical Society.

Statistics for the year are as follows:

Adult circulation for the year 1950 .....	29,748
Juvenile circulation for the year 1950 .....	15,444
<hr/>	
Total circulation for the year 1950 .....	45,192
New registrations for the year 1950 .....	308
Books added to the Library for the year 1950 ....	838
Books withdrawn from Library for the year 1950	115

In closing, may I extend my thanks to the Directors and Trustees for their continued co-operation and help, to my very able assistant, Mrs. Wood, and to Miss Nancy Ericsson.

Respectfully submitted,

SARAH E. HEYWOOD,  
Librarian.

## REPORT OF THE WATER DEPARTMENT

January 15, 1951

To the Citizens of Cohasset:

Last year was one of considerable activity for your new Department. As you all know the water company was purchased by the Town on December 30, 1949, at what is generally considered to be a satisfactory price. However, inasmuch as the company had been run from Hingham for many years it was woefully lacking in many items of equipment necessary to a separately operated unit. It was also sadly lacking in personnel. Through the efforts of the Selectmen and your Commissioners and thanks to the cooperation of the various Town departments these conditions no longer exist. We have a well staffed and smoothly operating organization, and equipment while still not all it should be, is adequate.

The new department was immediately faced with a problem which had been ignored by the old management, that is an adequate

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

supply of water for the new high school. With the cooperation of the school building committee, Mr. Walker, the architect and the New England Fire Rating Association it was finally decided to run a 12" line from the reservoir past the school to connect with the Pond Street 8" line. Inasmuch as no money was available and this was a capital addition the expense would have to be financed by borrowing and because there were a number of other places in the system which could be greatly improved it was decided to request an issue of \$25,000 of bonds at the March town meeting.

The bond issue was approved by a large majority and under that issue the following improvements to the system have been made.

1. 1400 feet 12-inch line before-mentioned from the reservoir to Pond Street.

2. Installation of approximately 1000 feet 8-inch on Jerusalem Road, thus assuring that end of the Town of continuous service without interruption and eliminating the old line across the marsh which broke at irregular intervals and was very costly to repair.

3. Connection of Norfolk and Bancroft Road and connection of Hill Street to Norfolk and Ash Street, approximately 1600 feet 8-inch and 6-inch lines, completely gridding the Hillside section and thus assuring it of adequate fire protection. This section in the past has always been a source of worry to the Fire Department.

With these improvements four additional hydrants were added at sites chosen by the Fire Department.

4. A seismographic survey for the purpose of finding additional source of supply to be furthered by well drilling tests.

The seismographic survey was successful in finding several likely sites for additional water supply and thanks to the generosity of the Jesuits of Boston College cost us nothing. One site in Bates Meadows, the least expensive to develop, was only 800 feet from the mains. Your Commissioners immediately engaged the Layne Well people, an internationally known well drilling organization, to prove in the site by means of test wells.

As you all recall last summer was the second one in succession of unprecedented drought and as the weeks went on without sufficient rainfall the problem of water supply became critical in many communities in this area. In the meantime the Layne Well people by tests had found that the well site was good for a minimum of 350,000 gallons a day of excellent pure water. The site was approved by the State Board of Health and your Commissioners believed it prudent to proceed with the development as rapidly as possible because in addition to the drought conditions war clouds were ever darkening with the threat of hard-to-get materials.

Accordingly your Commissioners petitioned your Selectmen for a Special Town Meeting to be held in August for the purpose of appropriating money to develop the wells and to connect same to

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

the mains. At the Special Town Meeting an additional issue of \$25,000 of bonds was overwhelmingly approved and money left over from the previous bond issue was transferred to this purpose.

The new issue contemplates the construction of two gravel packed wells equipped with electric driven pumps housed in suitable buildings and interconnected with the present main on Sohier Street and to North Main Street by means of an 8" discharge line. This discharge line will provide adequate domestic service to the residents of Ripley Road and the installation of a fire hydrant will provide protection before lacking at the corner of Sohier and Ripley Road for the hospital and school.

At this writing one well is completed and the second is in the process. As anticipated delays were experienced in obtaining the necessary pipe and fittings, but these are now on hand, and while the lateness of the season prevented the installation of pipe before frost the whole job should be completed early this Spring.

Last year we pumped 145 million gallons and this additional supply merely supplements our main sources and is not a substitute for it. It will not allow us to run our sprinklers day and night.

The regular business of the Water Department continued at an accelerated pace. Fifty-two new services were installed along with 36 replacements. Improvements were made generally throughout the system including reconditioning of hydrants and partial overhaul of plant structures. Your Commissioners can truthfully tell you that the water system is in much better condition today than it was a year ago.

The Water Department is no exception to the prevailing condition of rising costs. There has been no increase in water rates since 1925 and an increase will not be necessary this year. As an illustration, however, of how prices have risen, in 1947 a fire hydrant cost \$81 and today it is \$144. In like manner, 8-inch cast iron water pipe has advanced from \$2.25 to \$2.71 per foot during 1950, while ¾-inch copper service tubing has increased more than 30 per cent in the same year. As you well know many other things have increased even more.

In closing the Water Commissioners thank the personnel of the Water Department for their splendid cooperation.

Respectfully submitted,

HOMER A. SEVERNE, Chairman  
A. FREDERICK PETERSEN  
BARTLETT TYLER

## REPORT OF TREE WARDEN

To the Citizens of Cohasset:

The activities of your Tree Department during the past year have been many and varied. Storm and disease have taken their toll of our shade trees; while many trees bordering or adjacent to our highways have been removed for reasons of expediency. Storm injured branches incapable of response to tree surgery and constituting a menace to our highways have been removed; while a systematic program of pruning has added to the beauty and produced healthy specimens of our native shade trees.

The demand for shade tree removals constitutes a yearly problem. Replacements from outlying sources are seldom satisfactory and it seems advisable at this time to recommend to Cohasset citizens the establishment of a Town Nursery wherein replacements would be properly nurtured. Our neighboring towns have well developed nursery stock waiting to fill the gaps caused by necessary removals. It would seem foresighted to follow this example in providing Cohasset grown specimens of both deciduous and coniferous.

In closing I wish to express my appreciation of the splendid cooperation accorded this department by the citizens of Cohasset and feel sure that the public support resulting from this first planned tree program will warrant its continuation in other years.

Respectfully submitted,

ROSCOE G. PRATT,  
Tree Warden.

### *A Word About Dutch Elm Disease*

Every informed taxpayer of Cohasset knows by now that we have again been attacked by a vicious enemy — the Dutch elm disease. Millions of words have been broadcast on the subject, but one question still predominates — what can we do about it?

Let's be honest — no definite cure is known at this moment. Science and research are making every effort to discover a cure, but until that answer is available, should we sit idly by and let our elm trees go as the chestnuts did? Or should we make an effort to hold the fort with the ammunition we have?

Our only means of control right now is to keep the remaining elms:

1. As healthy as possible, by constant care in pruning and spraying.
2. Immediate removal and destruction of every condemned tree.
3. Destroy all elm wood of any description, trimmings, branches or cordwood lying on the ground.

Yes, this is only preventive work — but in the long run will cost much less than paying for the removal of *every* elm tree if we let them *all* die. At best the cost will be tremendous, but well worth it if we keep even most of our elms healthy and alive for the day when the cure is known.

THIS IS *YOUR* TOWN  
THESE ARE *YOUR* ELMS  
*YOU* HAVE A SHARE IN THE BATTLE —  
WITH THE *BEST* WE KNOW, LET'S  
DO THE *BEST* WE CAN.

31 Laboratory tested Dutch Elm Diseased Trees have been removed in 1949 and 1950.

11 Dead Elms not tested for Dutch Elm Disease also removed —  
Total 41.

For further information call your Tree Warden.

---

## REPORT OF MOTH SUPERINTENDENT

To the Honorable Board of Selectmen:

During the Winter and early Spring the entire Town was covered in an attempt to control heavy infestations of brown tail and gypsy moths that appeared in sheltered areas where wind blown insects gathered in large colonies. The success of this preliminary work is attested by the full foliage during the Spring, Summer and Autumn.

With the advent of the spraying period a systematic search was made to encourage and sustain the growth of an entomogenous fungus peculiar to elm trees and which parasitizes the elm beetle which has long been considered the principal carrier of the Dutch elm beetle. The systematic spraying program provided the moisture necessary to permit the surface growing mould to increase to a point that this natural check was of great assistance in controlling the elm leaf beetle, usually most destructive during the midsummer.

In the course of the several storms, dead and broken limbs removed by the Tree Department were examined for any trace of disease and burned as a precautionary measure. The usual insect parasites were well controlled and a noticeable lessening of the tent caterpillar was apparent.

## ANNUAL REPORT, TOWN OF COHASSET, 1950

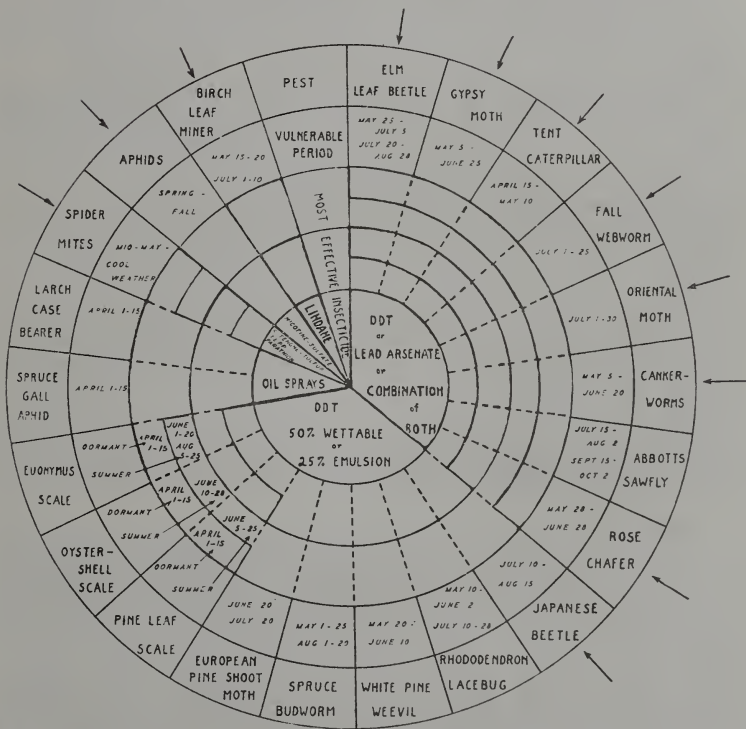

It is extremely gratifying to report that through cooperative efforts of various interested groups, our shade trees and forest are now receiving the public attention that they deserve and as Superintendent of this Department it has been my pleasure to accept many valuable suggestions from these interested citizens and your honorable Board.

Respectfully submitted,

ROSCOE G. PRATT,  
Moth Superintendent.

## SPRAY CHART

planned for the use of  
**FORESTERS AND ARBORISTS**

Note that insects marked with arrow on above chart cannot be neglected in our Spray Program.

These do not include the Dutch Elm Disease or Scolytus Beetle.

## REPORT OF GOVERNMENT ISLAND COMMITTEE

December 11, 1950

To the Citizens of Cohasset:

At the Annual Town Meeting of March 1949 you voted that the Government Island Committee be enlarged by the addition of up to four new members, and that the Committee be instructed to prepare plans for a self sustaining locker building on Government Island, as suggested in the report of this Committee at that meeting. A sum of \$500.00 was appropriated to provide for the expenses of producing these plans.

In accordance with that vote the Moderator appointed Edward F. Willcutt, Langford Warren, William Russell and Earl W. Higgins. The newly enlarged Committee has held eight meetings and has conferred with the Planning Board on several occasions.

The first plan that was considered involved utilizing the present small shop building which stands high on the bank alongside the larger of the two lightkeepers' houses. We agreed that this stands too far from the wharf at present to make it practicable for locker building use. We therefore prepared plans and estimates for moving this building to a new location on the flat land on the northeast corner of the Government Island property near the new beach, setting it on a new foundation, building 34 lockers in it, connecting the toilets with a new septic tank, and making needed repairs on sills and roof. This building would have the advantage of containing two small locker rooms protected from the weather, together with toilets, but would necessarily require some care by a responsible custodian. An estimate of the cost as of August 1950 came to a little over \$5,000.00. Your Committee felt that it was doubtful whether this capital expense, along with the expense of paying a custodian, could be made self-liquidating over a period of years, despite the obvious advantages of such a solid building. Your Committee therefore decided to investigate plans and estimates for a new building consisting of lockers alone.

Plans were therefore drawn for the simplest sort of pavilion type structure consisting of a double bank of lockers, surrounded by a railed platform, the whole structure supported on concrete posts and surmounted by a low pitched roof. Each locker door would open separately on the platform, and there would be no rooms, no toilets and no lighting. This would avoid all custodianship other than rental and the providing of keys, since each locker holder would take care of his own locker. The present shop building would still be available to the swimming classes for use of toilets. The cost of this new pavilion type building was estimated, as of November 1950, at about \$3,500.00.

An attempt was made to canvass small boat owners to determine how many of them would be interested in renting such lockers

## ANNUAL REPORT, TOWN OF COHASSET, 1950

---

as such a building would afford. Seventeen boat owners, most of them fishermen, indicated that they would use the lockers if they were built. Since it proved impossible to secure an adequate mailing list of the pleasure boat owners, the Committee felt that the poll was inconclusive, but probably favorable to successful rental of thirty lockers. There seems little doubt that out-of-town subscribers would quickly rent any lockers left vacant by Cohasset summer residents.

Meantime the Korean War crisis has created doubt in the minds of your Committee as to the advisability of recommending new building in the spring of 1951. We strongly recommend the eventual building of the pavilion type locker building on Government Island. The voters must decide whether 1951 is the time to do so.

Thanks to the voluntary services of members of this Committee, and to the courtesy of the Welch Company, there has been no expense to the Town in the preparation of these plans.

Canvassing of boat-owners made necessary a mailing expense of \$10.80. The remainder of the appropriation, \$489.20, is available for return to the Treasury or for carry-over to construction of a locker building, if this is voted.

Respectfully submitted,

HENRY F. HOWE,  
Chairman.

## REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Cohasset:

Your Board of Selectmen, having completed another year of administration, are pleased to report that our Town is in a good financial condition. Every effort has been made to carry out the various mandates of the last Town Meeting in accordance with your wishes.

The new parking space has proved a benefit to the conditions in the center of Town, and we feel that with the cooperation of all concerned, it will be of great value to all our tradesmen.

Because of a number of complaints received by your Board about the condition of our Harbor and the fact that fishermen were unable to go in and out at low tide, it was decided to have the channel dredged. This was made possible by the splendid cooperation of Representative Hurwitz, Commissioner of Public Works William F. Callahan, and Edward J. Antoine, Harbor Master. A survey was made by State Engineers and dredging to the value of \$61,422.76 was completed at a cost to the Town of \$15,000.00, an amount which had been previously raised. We are very appreciative to both the fishermen and yachtsmen for their splendid cooperation in working out the details of this project, and feel certain that all who use our harbor will feel that the money was well spent.

The pond at the common was drained, and an effort made to make it tight. While some improvement was noticed, it will require waterproofing in order to make it tight, at a cost of about \$5,000.00, and while we feel that this should be done soon, an appropriation is not being asked for at this time.

Because of world conditions and the threat of another conflict that might result in atomic warfare, a State of Emergency was declared by Governor Dever last summer, and a request made to all Cities and Towns to appoint a Director of Civil Defense. Colonel Walter H. Lillard was selected by your Board to become Director of Civil Defense for Cohasset, and we are indeed grateful to him for the splendid organization he has set up. It is our hope that the cooperation he has received from our citizens will continue, and if you have not already been asked to serve on the Defense setup please volunteer your services to Colonel Lillard.

We should like to take this opportunity to express our thanks to the various Department Heads and all our civic-minded citizens for their splendid cooperation during the past year.

Respectfully submitted,

NORMAN CARD, Chairman  
IRA B. P. STOUGHTON  
EVERETT W. WHEELWRIGHT

Board of Selectmen.

# ANNUAL REPORT, TOWN OF COHASSET, 1950

## SCHOOL CALENDAR — 1950-1951

### FALL TERM

Begins Wednesday, September 6, 1950, sixteen weeks; ends Friday, December 22, 1950.

### WINTER TERM

Begins Tuesday, January 2, 1951, seven weeks; ends Friday, February 16, 1951.

### SPRING TERM

Begins Monday, February 26, 1951, seven weeks; ends Friday, April 13, 1951.

### SUMMER TERM

Begins Monday, April 23, 1951, eight weeks for elementary grades, ends June 15, 1951. Term for high school continues until school year contains 180 days.

### HIGH SCHOOL GRADUATION

Thursday, June 14, 1951

### 1951 HOLIDAYS

Good Friday, March 23, 1951

Memorial Day, May 30, 1951

Columbus Day, October 12, 1951

Teachers' Convention, October 26, 1951

Thanksgiving Recess, Wednesday, November 21

(School closes at noon for the remainder of the week.)

### INFORMATION RELATIVE TO PUPIL ENROLLMENT

A child who is four years and ten months old on or before September 10 is eligible for enrollment in the Kindergarten. A child who is four years and eight months old on or before September 10 may be admitted to the Kindergarten provided that the child is recommended for admittance by an examiner designated by the School Committee. Applications should be filed for special examination with the Superintendent of Schools on or before August 15. A pupil must be five years and ten months of age on or before September 10 to enter the first grade or have been recommended for entrance after attendance in the Kindergarten of the Cohasset Public Schools by the principal of the school. Pupils must present a certificate for initial admission to the Cohasset Public Schools.

## REPORT OF SCHOOL COMMITTEE

To the Citizens of Cohasset:

During the past year the School Committee has held regular meetings the second Monday of each month. A joint meeting was held with the selectmen at which time a citizens' committee was appointed to make a study of our school system. Their report is expected about March 1, 1951.

A review of the teaching staff of the Ripley Road School was conducted together with the superintendent of schools and the principal of the Ripley Road School.

It became apparent that by the fall term of 1951 added transportation would be needed. Because of rising prices and the growing shortages of certain types of vehicles, it seemed advisable that funds be made available so that a new bus might be contracted for as soon as possible. This has been done and a new bus is expected to go into service January 1, 1951.

The general program of maintenance was carried out at the Ripley Road School. This building is in good repair and if the present program of painting and maintenance is carried out, it will remain in good repair at a low yearly cost. A limited maintenance program was carried out at the Osgood School.

The new addition at the Ripley Road School was occupied in September. This addition has relieved the present overcrowded condition at this school.

The heating plant at the Ripley Road School has been completely renewed with two oil fired boilers, either one of which is capable of carrying the heating load of the building together with providing domestic hot water for the kitchen, etc. This new system is proving very satisfactory both from an economic standpoint and the fact that it provides the desired classroom temperature.

The new junior-senior high school is expected to be ready for use when school opens in September, 1951.

Due to the fact that the report of the School Study Committee has not been received and the present world conditions, a sharp rise in the cost of operating our school system is being caused, and therefore no major improvements are recommended for 1951. However, it is our sincere hope that we will be able to continue at our present level.

The challenge being made to democracy and our American way of life is a direct challenge to our educational system. It is our duty as members of the School Committee and as citizens to see that our educational standards are not lowered.

The amount of money available to schools in 1950 was \$142,900.52. The receipts from the Commonwealth and other sources was \$21,067.82. The net cost to the Town was \$121,832.70.

In closing the committee's report, we wish to thank the Superintendent of Schools for his tireless efforts in behalf of the Committee and for the manner in which he has administered our school system.

We also wish to thank the principal of the Ripley Road School, the vice-principal of the Osgood School, the entire teaching staff and all other personnel for the manner in which they have discharged their duties this past year.

We would like to recommend that the School Study Committee be kept intact for another year and also extend our sincere thanks to them for the friendly and efficient manner in which they have conducted their study.

We urge you to read the more detailed report of the Superintendent of Schools on the pages that follow.

Respectfully submitted,

HARRY H. REED, JR.,  
Chairman.

---

## REPORT OF THE SUPERINTENDENT

To the School Committee and Citizens of Cohasset:

The year 1950 has witnessed the first major school construction effort in Cohasset since the building of the Ripley Road School in 1926. In March ground was broken on Pond Street for the construction of a new high school. This school will house grades 7-12 and will provide facilities which will make possible curriculum fashioned to meet the educational needs of today. A new gymnasium will provide for a physical education program which has proven so beneficial to youths throughout the nation. The new auditorium will provide facilities which have never been available to the students of this town. It will make possible an enriched school program and will stimulate good school morale.

Enlarged shop facilities will greatly expand the work in our industrial arts department. Greater home economics facilities and the doubling of laboratory space will contribute to better endeavors in these fields. For the first time, library space has been provided. Many of these things are new features for our pupils, but none of them are novelties to communities with well-rounded educational facilities.

The administration of the school and of the school system as a whole will be facilitated by the administrative space included in this school. Adequate health provisions will make for better supervision of the health of the pupils of the school. We are catching up with the times in our secondary education.

At the Ripley Road School an addition of classroom space for two kindergartens and two first grades and a room for the teaching of remedial reading met a need which was very pressing. Time will tell whether or not adequate space has been provided. The addition was started in March and was completed in time for the opening of school in the fall. The modern lighting, the size, and the general design of the classrooms provide an environment stimulating to learning in pleasant and comfortable surroundings.

The Ripley Road School heating plant which had never served adequately in the past was replaced by a modern heating plant which uses oil as a fuel and which is automatic in its operation. For the first time in the history of the school, the pupil may enter his classroom on a cold winter morning and find that the temperature is suitable for work at his desk.

The second major feature of 1950 was the establishment of the School Study Committee. This committee which started out with a main committee of 7 grew to include over 100 persons in the community. The report of this committee, which it appears will be a useful long-range guide for school committees in the future, will not be in until 1951. However, the interest of so many citizens in our schools has already proven a beneficial result of the establishment of this committee.

The major problem confronting the school committee and the citizens at this time is the problem of increasing elementary enrollment. The Ripley Road School addition as reported in a special report to the citizens, took care of the anticipated increase in enrollment. It is possible that it will not be adequate for the enrollment which develops in the years to come. It is extremely difficult to make such a prediction accurately. The precipitation of our nation from a peacetime to a wartime economy may accelerate or may retard the increase in pupils in Cohasset. The birth rate provides a factor which can be used with a certain amount of reliability. The people who may move into existing Cohasset homes or who may build new homes in Cohasset is unpredictable. The present world situation leaves us in doubt.

The detailed accounting of expenditures and receipts may be found in the Town Accountant's report. The total expenditure for support of the schools was \$142,900.52. Receipts to the Town from the Commonwealth were as follows: On account of teachers' salaries—\$11,372.92, transportation—\$6,967.14, reimbursement for vocational tuition—\$447.56. Receipts from tuition for non-resident pupils—\$2,170.02, supplies—\$110.18. Total receipts—\$21,067.82. The net cost to the town was \$121,832.70.

The laws relating to lunchroom receipts were amended. Please see the accountant's report for details.

Respectfully submitted,

WILLIAM RIPLEY, JR.,  
Superintendent of Schools.

## REPORT OF THE SCHOOL PHYSICIAN

The usual routine examinations of all pupils were made, and reports of defects sent by mail to the parents. In most instances there has been good co-operation in the follow-up work.

The purchase of a Massachusetts Vision Test equipment by the Town made the work of screening defects in eyesight much easier and more accurate. It should be emphasized that this is not a thorough eye examination and serves only to indicate that a child needs an appointment with an eye specialist.

In 1949 the School Nurse took 169 sick children home from school. In 1950 the number taken home was 89. This shows an improvement and means that parents are more alert to signs of illness and co-operate by keeping sick children at home. This policy will help limit the spread of contagion. Most of the sick children taken home leave early in the school session. The conclusion is that more observation on the part of parents would prevent their coming to school when ill.

Contagious diseases were limited to mumps, chicken-pox, and German measles. There was no case of scarlet fever, whooping cough, or diphtheria among the school children. Immunization clinics pay dividends.

Twenty-two members of the senior class completed an abridged First-Aid course during the fall term of 1950.

The School Physician is available during school hours for consultation with pupils or their parents relative to the child's problems. All parents are urged to take advantage of this service. Much time has been spent in such interviews, and they may prove helpful to both teachers and parents.

Respectfully submitted,  
MARION S. FERNALD, M.D.

---

## REPORT OF THE SCHOOL NURSE

Number of pupils taken home during school hours for illness.. 89  
Number of home visits pertaining to absence or illness of pupils 27  
Number of home visits for pre-school conference ..... 57  
Thirty-one pupils from the High School were given a chest X-ray  
and no one showed evidence of lung disease.

Respectfully submitted,  
FANNY E. JAMES.
